

General Guidelines around Exams

The following schedule is an outline for our June exams (June 19th to 25th). Marking Days are June 26th and 27th.

Students:

- Students are to only attend for their scheduled exam(s). If students are not writing, then they are asked not to attend school.
- Please communicate with your subject teachers around the exam
 - review expectations
 - materials needed
 - **assigned rooms (know what room in which you are writing each exam)**
- Report any exam conflicts (two exams at the same time) to your teacher and to the administration (Ms. Campbell in the office).
- Students absent because of illness must contact the school and present a medical excuse upon return.
- **Note the start and end times for each exam.** Be prompt and prepared to write the assessment. You are required to stay for 50% of the scheduled time allotment (i.e. One hour and a half for a three hour exam)
- Please return any text books prior to the exam and calculators after the exam to the teacher.
- See page 9 of the student handbook for complete information around attendance during examinations.
